

User Stories		Not Started	In Progress	Finished	Date Finished
As a user, I want to be able to match with someone who can hear me vent, so I can vent.			Add different queues to the matchmaking algorithm		
			Match users correctly based on their queue		
			Match users in the talk queue with vent/listen if there are not enough users to matchmake optimally		
			Give the user the option to select between different queues		10/29
As a site admin, I want to show a popup detailing the purpose of the site, so I don't get people trolling.			Design the popup		10/30
			Show the popup		10/30
			Only show the popup if the user has not already seen it		10/30
As a user, I want to be able to like messages, so I can show people I like what they're saying.			Give users the option to click on the message to like it		11/4
			Display a liked message properly		11/4
			Send the server a kiss to let it know that the message was liked		11/6
			Broadcast the kiss to the connected clients in the room		11/6
Miscellaneous Tasks			Remove ghosts from the queue		11/4
			CI for frontend deployment on server		11/6
			CI for backend testing		11/1
			CI for backend deployment		11/9
			Documentation updates		11/10
			Fortify server		11/1

Burnup Chart

The chart displays the progress of the project over time. The Y-axis represents 'Progress vs Project Goal' from 0 to 70. The X-axis represents 'Days Elapsed' from 10/28 to 11/10. A blue horizontal line at 56 represents the 'Project Goal'. A red line represents 'Progress Made', which starts at 0 and increases steadily, reaching the goal of 56 by 11/10.

Days Elapsed	Progress Made	Project Goal
10/28	0	56
10/29	1	56
10/30	16	56
10/31	16	56
11/1	23	56
11/2	23	56
11/3	23	56
11/4	30	56
11/5	30	56
11/6	42	56
11/7	44	56
11/8	44	56
11/9	46	56
11/10	56	56
