

User Stories	Not Started	In Progress	Finished	Date Finished
As a user, I want to be able to report people that send offensive messages, so I don't chat with them again.			Make a report button on the site that opens report UI	11/12
			Make a report UI for the reporter to describe report	11/13
			Send reports to server	11/13
			Only delete messages when both users disconnect	11/14
			Clone reported conversation into another collection	11/16
			Store reports and reported messages (and link them)	11/16
As a site admin, I want to be able to view reported messages, so I can view reports.			Make sure all devs have DB access	11/16
			Create documentation so devs can know how to access DB	11/16
As a site admin, I want to be able to block IPs/users from chatting, so I can prevent trolls.			Store banned users	11/16
			Be able to mark users as banned in the DB (docs)	11/16
			Have mm algorithm place banned users into 'banned' queue	11/16
			Throw banned users into a forever queue loop	11/16
			Investigate having a user chat with a bot (server replies over ws - stretch goal)	
As a user, I want the background of the website to change occasionally, so that it doesn't get stale and continues to look nice.			Get random images from some random image source	11/22
			Display those images	11/22
As a user, I want to use this website on my phone/tablet/etc., so that I can use it wherever I want.			Learning spike: Decide on how to do responsive design (CSS, breakpoints, grid, etc?)	11/23
			Implement responsive design	11/23

	Days Elapsed	Progress Made	Project Goal
